MUSICIANS GONE WILD: ROCK THE CANYON SEPTEMBER 5 - NOVEMBER 5, 2023

The Mayfield premieres an electrifying new series - *Musicians Gone Wild* - celebrating the music we love and the iconic artists who created it. Part one, *Rock the Canyon*, takes us through the magnetic music of Laurel Canyon, a creative garden of Eden nuzzled in the heart of the Hollywood Hills. Ignited by the Beatles invasion, an explosion of popular music hit the air waves as folk musicians of the sixties went electric and fashioned the California Sound. The music of The Beach Boys, The Byrds, The Turtles, The Doors, Buffalo Springfield, The Mamas and the Papas, Joni Mitchell and Crosby, Stills, Nash and Young echoed throughout the Canyon inspiring a new wave of artists; Bonnie Raitt, Carole King, Linda Ronstadt and the most successful band in American History - The Eagles. Come *Rock the Canyon* with us and toast a time when music truly did bring us together.

ON GOLDEN POND JUNE 25 - JULY 28, 2024

On Golden Pond is a timeless, witty comedy that hilariously illustrates the relatable human moments from which life and love are made. Ethel and Norman Thayer return to their summer home for some much-needed rest and relaxation. He is a retired professor with heart palpitations and a failing memory - but still as tart-tongued as ever. Ethel, ten years younger, delights in all the small things that have enriched their long life together. Their summer routine is thrown for a loop when estranged daughter Chelsea visits with her new fiancé and his teenage son Billy in tow, leaving a reluctant Billy behind while they travel to Europe. Turbulent family relationships, the generation gap between young and old, and the difficulties of a long marriage all come to the forefront as they are forced to navigate each other. *On Golden Pond* is one of the most recognized cinematic and theatre comedies that speaks to all generations of theatregoers.
